

Sunkist is an iconic brand associated with all that's great and refreshing about citrus fruit. The Sunkist range for Pouchlink™ gives great tangy taste and will be welcomed and recognised by all consumers.

Vimto is made from a top-secret recipe. The secret formula includes a mix of three fruit juices – grape, blackcurrant and raspberry – along with a mysterious blend of 23 fruit essences, herbs and spices. Vimto only pick the very best ingredients to ensure that your Vimto tastes totally terrific!

Code	Flavour	Ratio	BIB Size	Volume RTD per BIB	No. regular (approx 300ml) pouches per BIB
